Automation Products

abb.com

- AC and DC Drives; Soft Starters
- Direct Torque Control Technology
- JOKAB Machine Safety Controls
- Hazardous-Rated PLC's and HMI's
- Hot-swappable PLC IO Systems
- Redundant Hot-Standby PLC's
- Safety PLC's
- Smart Motor Conditional Monitoring Sensors
- Training Classes
- VFD Engineering Field Services and Repair

festo.com

- Airflow Regulators
- Compact Pneumatic Valve Manifolds
- High Flow Pneumatic Valves
- Pneumatic Actuation Cylinders
- Pneumatic Actuation Slides
- Proximity Sensors

idec.com

- Combination HMI/PLC Controllers (Hazardous-Rated)
- HMI's (Hazardous-Rated)
- Industrial Ethernet Switches
- Machine Safety Devices
- PLC's
- RFID Reader Equipment
- Smart Relay Controllers
- Software for PLC and HMI Systems

Industrial Data Communication Solutions

data-linc.com

- High Speed Wireless Modems - License Free
- Antennas, Lightning Arrestors and Cables

dinspace.com

- Copper Patch Panels and Cables
- Dinrail Adapters
- Fiber Optic Patch Cables, Pigtails and Patch Panels

mte.com

- ENDURA-CAP Capacitors for High Horsepower Applications
- Harmonic Filters
- Line and Load Reactors
- Line Chokes
- Nexus 5-Year Motor Bearing Warranty
- Surge Protection Devices

emerson.com

- Change Management and Version Control Software
- EDGE Controllers and Computers
- Ethernet Switches
- Machine Safety Controls
- Motion Controllers and Servo Motors
- Large PAC's - Programmable Automation Controllers
- Redundant Hot-Standby PLC Controllers
- Sunlight-Readable Industrial HMI's

raco.com

- Alarm Agent Cloud Based Detection System
- Verbatim Remote Alarm Dialer
- Cellularm Cellular Communications for RACO Autodialers, Dataloggers and RTU's
- Catalyst Adaptable Alarm System for Critical Environments

XLReporter
powered by SmartSights

WIN-911
powered by SmartSights

smartsights.com

- XL Reporter Automated Reporting and Logging Software for Effective Decision-Making
- Custom-Tailor Your Dashboards and Report Templates (or Use Our Defaults)
- Get Data from PLCs, Data Historians, Alarm History, and IoT Devices
- Built-in Data Analytics
- WIN911 - Alarm Logging Software
- Real-Time and Historical Data

r-stahl.com

- Custom Control Panels
- Industrial PC's & Thin Clients - Zone 1
- Intrinsically Safe Barriers
- Object-Oriented IEC - 61499 Integrated Development Environment (IDE) Software
- Zone 1 Rated I/O Systems

telemecanique.com

- IP-67 Cordsets and Connectors
- Inductive and Capacitive Proximity Sensors
- Limit Switches
- Photo-electric sensors
- Pressure Sensors
- RFID Systems
- Safety Sensors and Switches
- Ultrasonic Sensors

tosibox.com

- TOSIBOX Key - Intelligent Crypto-Processing Device - Cybersecurity
- TOSIBOX Soft Key - Toolbox Node Connector - Cybersecurity
- TOSIBOX Lock - Secure Part-to-Part VPN
- TOXIBOX Lock for Users - Secure Network Device and Control

toshiba.com

- Single and Three-Phase UPS Systems - 5KVA to 300 KVA

universalautomation.com

- ECOSTRUXURE Automation Expert
- Object-Oriented IEC - 61499 Integrated Development Environment (IDE) Software
- Re-Deploy Same Logic/Graphics Project on PLC Hardware Platforms
- Reusable code, Scalable, Flexible and Ideal for Industry 4.0 Smart Mfg

wago.com

- DOCKER Container-based Controllers
- Fieldbus Independent I/O Systems
- Ethernet Switches and Wireless Gateways
- IIOT Controller and Cloud Solutions
- Intrinsically-Safe I/O Systems - Zone 2
- LINUX-Based CODESYS Software
- Signal Conditioners
- XTR Extreme Temp (-40C to +70C)

weidmuller.com

- IOT Gateways
- Industrial Cellular Security Routers
- PLC and DCS Prewired I/O Cables and Field Terminal Interface Modules
- PLC's and I/O Systems
- Signal Conditioners
- Surge Protection Devices (SPD)
- Touchscreen HMI's

Automation Applications

Annunciators and Alarm Management

RACO - Remote Alarms and Controls
